It was a nature myth portraying a vivid and realistic picture of the action of life in the vegetable world in regards to the changing seasons. Peter now stands upon the very spot. The god of death himself stole the beloved daughter away from the life-giver; but the divine mother would not give up her loved one, and in the end she accomplished her daughter's resurrection. We usually take some time for prayers and reflection on the week since I last saw them. He too had found the road to heaven by his suffering and resurrection. As I was growing up I also learned about the great commission. Because I am a teacher, my neighbors are my students. It is not so much that Christianity was influenced by the Mystery Cults, or borrowed from them, but that in the long process of history this religion developed. The words of this book speak to each and every student. He says: "Following the lead of the apostle Paul, the Christian missionaries on gentile soil finally made of Christianity a more appealing religion than any of the other mystery cults. It, Christianity, is the expression of the longing of people for light, truth, salvation, security. It was in this city that there was celebrated each year the death and resurrection of the god Adonis. The existence of this atmosphere was vitally important in the development and eventual triumph of Christianity. Firstly, she was pictured as the lady of sorrows, weeping for the dead Osiris, and secondly she was commended as the divine mother, nursing her infant son, Horus.
